## CERTIFICADO SUPLEMENTAR DE TIPO

(Supplemental Type Certificate)

**NÚMERO** 2011S07-05  
(Number)

**LIMITAÇÕES E CONDIÇÕES:**  
(Limitations and Conditions:)

- I. The approval of this type design change should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in Type Design, will introduce no adverse effect upon the airworthiness of that rotorcraft.
- II. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
- III. Instructions for Continued Airworthiness (ICA), Airwolf Aerospace LLC Document No. AA-206-ICA, Rev. B, dated 14 Mar. 2011, or later FAA accepted revisions, is required for this installation.
- IV. A copy of this Certificate shall be maintained as part of the permanent records of the modified rotorcraft.
