

## Airwolf Welcomes two new Sales Representatives

Airwolf is pleased to announce the addition of two new Sales Representatives.

Roy Wiley is responsible for outside sales for Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico and Wyoming. Roy has extensive experience in the helicopter industry and holds an FAA Airframe & Powerplant license with Inspection Authorization privileges. Roy has many years of experience in aviation parts manufacturing, FAA regulatory compliance and sales. We are pleased to have Roy on board. Roy is based in Southern California and will be travelling throughout his territory.

Karson Branham who lives in Oregon and has over thirty years of experience in the helicopter industry will be taking care of outside sales in Alaska, Oregon, Washington and British Columbia. Karson Holds an A&P IA license with fixed wing and helicopter experience in part 121, 125, 135, 137 and 145 repair station environments and spent many years as the DOM of a helicopter aerial agricultural spray company.

Both Roy and Karson will be handling the sales of all of our high quality low cost products including Bell 407 main rotor hub elastomerics, TT Straps for Bell 206, 204, 205, 212, UH-1, Enstrom piston and turbine helicopters, our STC kits for the installation of True Blue Power® Lithium-ion batteries (coming soon) and our agricultural spray systems for R22 and R44 helicopters under our Apollo Spray Systems brand.

Karson and Roy are eager to see how they can assist you and can be reached at:
